

CCSU
DEPARTMENT OF MATHEMATICAL SCIENCES

SEMINAR

Friday, December 8
2:00 – 3:00 PM
Maria Sanford, Room 101

**PUTNAM MATHEMATICAL
COMPETITION**

Discussion of Solutions

The sixty seventh annual William Lowell Putnam Mathematical Competition was held last Saturday at more than three hundred universities and colleges across the United States and Canada. Our university was represented by Jarad Demick, Brennan Bell, and Zachary McGuirk. This Friday we will discuss the problems from the competition. Please feel free to bring your own solutions to the meeting.
