

NEW YORK ACADEMY OF SCIENCES

# **GRAPH THEORY DAY FIFTY-SIX**

A one-day meeting to stimulate activity among graph theorists hosted by

**The Department of Mathematical Sciences**

**Central Connecticut State University**

**Saturday, November 15, 2008**

**10:00 a.m. – 5:00 p.m.**

**INVITED SPEAKERS:**

**Dan Archdeacon**

(Joint work with Kirsten Stor)

The University of Vermont

**How to Superthackle a Graph**

**Charles L. Suffel**

(on behalf of the SIT-SHU Graph theory Group)

Stevens Institute of Technology

**On k-Component Order Measure of Vulnerability**

Participants are welcome to contribute a talk to a *Graph Theory Notes* Session following the invited lectures. Written contributions will be considered for inclusion in *Graph Theory Notes of New York*.

The Program will also include time for informal exchange of graph theory information.
