2:00 – 3:00 PM
Maria Sanford, Room 101

ORDINAL NUMBERS

IVAN GOTCHEV

CENTRAL CONNECTICUT STATE UNIVERSITY

ABSTRACT

This will be an introductory talk about the von Neumann theory of ordinal numbers. The talk is designed for and should be accessible by any student interested in mathematics. All necessary definitions will be given; therefore previous knowledge on the subject is not required. In particular, all recipients of the CSMP scholarship are urged to attend.
