WEB PAGE: <https://www.ccsu.edu/person/ivan-s-gotchev> - on this page you can find as PDF files all handouts for this class. Also, in class, you will receive a hard copy of every handout.

OFFICE HOURS: MWF 8:50 am – 9:20 am, 1:30 – 2:40 pm in MW 111, or by appointment

TEXTBOOK: OpenStax Calculus Volume 2. Download for free at <https://openstax.org/details/books/calculus-volume-2> or use it online.

COVEREGE: Chapters 1, 2, 3, 5, 6 and 7 will be covered
SCHEDULE OF CLASSES: MWF 12:15 pm – 1:25 pm in EDB 111
ATTENDANCE: The material covered by this course will be discussed and explained clearly in class and proper examples will be solved. Therefore, regular class attendance is very important.

EXAMINATIONS: There will be four tests during the semester, online homework using Edfinity.com, four take-home exams, and a cumulative final exam on Monday, May 12, from 10:30 am to 12:30 pm in EDB 111. The examination problems will be like those solved in class, included in the take-home exams, or given as online homework or suggested homework assignments.

HOMEWORK: The best way to learn mathematics is to solve as many problems as possible. In the list below are given suggested homework assignments that I advise you to solve for practice before solving your take-home exam problems and after you read your class notes, you read the part of the book related to these notes, and you finish your online homework. You do not need to submit them for grading.

GRADING:

FOUR TESTS	40%
ONLINE HOMEWORK	10%
FOUR TAKE-HOME EXAMS	30%
FINAL EXAM	20%

If you score 93% or more your final grade will be an A, 90% or more but less than 93% - A-, 87% or more but less than 90% - B+, 83% or more but less than 87% - B, and so on. Less than 60% is F.

UNIVERSITY POLICIES

1. In the event of a weather emergency which requires curtailment or cancellation of classes, listen to WTIC (1080 AM) or call 860-832-3333 for the “general snow message.”

2. **The last day to add** a course is Tuesday, January 28. Students may **drop** a full semester course by **Tuesday, February 11** without permission and without any notation on the record (no “W” grade). **The last day to withdraw** from a course without instructor’s approval is **Tuesday, April 22** (a “W” grade will appear on the record for that course). It is strongly recommended that students consult with their academic advisors prior to deciding to withdraw. Cessation of attendance, notice to the instructor, or telephone calls to the Registrar’s Office are not considered official notice of a student’s intention to drop the course. **After April 22 withdrawals are allowed only under extenuating circumstances** and require approval of the course instructor and the department chair.

3. All students are expected to demonstrate integrity in the completion of their coursework. **Academic integrity** means doing one's own work and giving proper credit to the work and ideas of others. It is the responsibility of each student to become familiar with what constitutes academic dishonesty and plagiarism and to avoid all forms of cheating and plagiarism. Students who engage in plagiarism and other forms of academic misconduct will face academic and possibly disciplinary consequences. Academic sanctions can range from a reduced grade for the assignment to a failing grade for the course. From a disciplinary standpoint, an Academic Misconduct Report may be filed, and a Faculty Hearing Board may impose sanctions such as probation, suspension or expulsion.

For further information on academic misconduct and its consequences, please consult the Student Code of Conduct (https://docs.ccsu.edu/Student_Code_of_Conduct.pdf) and the Academic Misconduct Policy (<https://www.ccsu.edu/academicIntegrity/academic-misconduct-policy>). *All members of CSCU must at all times govern their social and academic interactions with tolerance and mutual respect...Because of the BOR's and CSCU's commitment to principles of pluralism, mutual respect, and civility, certain activities are not acceptable on CSCU campuses.* Please be aware that any violations of this Code of Conduct will result in a report of misbehavior to the Office of Student Conduct. Severe violations can result in dismissal from CCSU.

4. CSCU complies with all federal, state, and local laws, regulations, and ordinances prohibiting discrimination, harassment, and/or retaliation, including retaliation for engaging in protected activity, in public post-secondary education institutions. CSCU does not discriminate against any employee, applicant for employment, student, or applicant for admission on the basis of actual or perceived age, ancestry, color, gender expression, gender identity, genetic information and/or family medical history, intellectual disability, learning disability, parental, family or marital status, past or present history of mental disability, physical disability, pregnancy or related conditions, race or national origin, religion or creed, sex, sexual orientation, veteran or military status, arrest and/or criminal conviction status, lawful source of income, citizenship or immigration status, or any other protected characteristic under applicable local, state, or federal law, including protections for those opposing discrimination or participating in any grievance process within the institution. (For more information, please see <https://www.ccsu.edu/OEI>).

Students with documented disabilities or temporary impairments who require accommodations are encouraged to contact the Office of Accessibility Services (OAS) at 860-832-1952 or via email at accessibilityservices@ccsu.edu. For more information on the registration process for accommodations, please visit the Accessibility Services website at <https://www.ccsu.edu/accessibility/>. Once accommodation is approved, it is strongly recommended that students discuss their needs with professors at the start of each semester to ensure mutual understanding. Please note that accommodation must be requested each semester and cannot be applied retroactively. Additionally, under Title IX of the Education Amendments of 1972 (20 U.S.C. §1681 et seq.), CCSU prohibits discrimination on the basis of sex, including pregnancy, childbirth, and parental status, in educational programs and activities. RESOURCES AVAILABLE

- 1. If you need help, take advantage of your instructor's office hours. Do not wait until just before the test to do so.**
- 2. Free tutoring is available in The Learning Center -- located in Diloretto Hall, Room 316 (D-316). They can be reached at (860) 832-1900. A schedule for the hours the Center is open will be posted soon after the beginning of the semester.**
- 3. Form a study group with other students in your section. Explaining solutions to homework problems to each other is a good way to learn.**

ADDITIONAL IMPORTANT INFORMATION:

1. I will **not** use or post anything on Blackboard.
2. Your online homework will be on a website called **Edfinity.com**. Once I create your online homework, you will receive an invitation link from Edfinity.com to join. You need to click on that link and follow the instructions. At some point you will be asked to pay for this service. Once you pay, your account will be active for five months and that is all you need to pay for this course, because the book is free and available online at <https://openstax.org/details/books/calculus-volume-1>.
